Welcome

Thank you for your interest in the role of Chair of Trustees at Cyclox.

Cyclox is a 22-year old charity with a mission to create safer streets for all in Oxford. We are guided by our Vision Zero strategy: for zero road deaths or serious injuries by 2030. We aim to lobby the local authorities to introduce the following:

- Improved infrastructure for cycling, wheeling and walking - for example dedicated cycle lanes, safe junctions and crossings, and more cycle parking
- 20 mph speed limit throughout Oxford
- Enforced safety measures for HGVs.

We also aim to:

- Encourage and enable more road users to start cycling
- Collaborate with other pressure groups on safer streets for all
- Increase diversity and inclusion in our organisation.

Following the retirement of our long-standing Chair of Trustees, we are seeking a new Chair to drive forward our Vision Zero strategy. We are seeking an Oxford-based leader who is committed to improving cycling in Oxford and has a proven track record of inspiring positive change.

Please find detailed information about Cyclox, the role, and application process below.

We look forward to receiving your application.
